

**BOBBY HARRISON**  
*from Huntsville, Alabama co-re-discovered  
the Ivory-billed Woodpecker after 30 years of searching.  
In this book he tells a composite story.*

Grades 3+  
Can be read to  
younger children.

A beautifully illustrated  
Children's Book!  
The best gift  
you can give a child.  
It's about conservation.  
It's about wildlife & nature.  
It's an adventure!  
And it's based on the true story.

**\$15.**

(free shipping for the holidays)

\$5. from each book is donated to Bobby's continued search & research.
